In J. K. Rowling's Harry Potter series, magic is depicted as a supernatural force that can be used to override the usual laws of nature. Many fictional magical creatures exist in the series, while ordinary creatures also sometimes exhibit magical properties. Magical objects are also described. The small number of humans who are able to perform magic (witches and wizards) refer to the rest of ...

I’m sure you will be asking yourself what in the world has computer lessons for seniors got to do with manners and etiquette?. Well let me explain, I feel our seniors are being neglected by all and sundry.. As people pursue their own interests, work and family, their parents and grandparents are pushed more and more into the background, the ‘too hard’ basket, ‘things to do’ list.
