Kindness is not simply being nice. It's courage and discipline, it's constant and unchanging. It's a simple facet of Christ, not a smiling face of a Christian. It's not a performance for the masses, it's a performance for the audience of one. It does not tire or boast or point to "I," but is there [...]

Nitrogen supply for cotton is critical for vegetative growth, development of fruiting sites, and yield. Considerations for the 4Rs in nitrogen management in cotton are quite different from those for corn due to differences in the growth and nitrogen uptake patterns of the plant and the soils and climates in which cotton is commonly grown.

Todd, First, can I use your version of the LTG cards you have here? Also, (and I don't know if you've dealt with this at the Austin Stone) I'm looking for some sort of precedent for transforming a church that has a few "small groups" (ranging from bible studies to prayer groups to social gatherings) into a church of missional communities.

Historical and literary background. A number of historical events inspired Voltaire to write *Candide*, most notably the publication of Leibniz's "Monadology", a short metaphysical treatise, the Seven Years' War, and the 1755 Lisbon earthquake. Both of the latter catastrophes are frequently referred to in *Candide* and are cited by scholars as reasons for its composition.
