Amazon.com: Rising Darkness (#19) (Dragon's Fire) eBook ...

The 19 Dragons is a great novella with rich landscapes and characters. Vastly different from the author's previous work, Six Moon Summer, The 19 Dragons is a steampunk story with very fantastical elements. The Dragons are the gods of this world - they hold up the very land and seas by their existence.

Editions of Dragons of a Lost Star by Margaret Weis

While the sleeping dragons series was more like a collection of short novellas that could be read independantly, the rising dragons series was a more cohesive storyline that played out to a finale. In this series you gained a greater insight into each of the characters while still enjoying the steamy nature of Ophelias writing.

I had higher hopes for this second volume of The Lost Chronicles trilogy than I did for its predecessor, Dragons of the Dwarven Depths. Indeed, the plotlines which would be explored in Dragons of the Highlord Skies appeared much more interesting than the search for the Hammer of Kharas.
