An activist shareholder is a shareholder that uses an equity stake in a corporation to put pressure on its management. The goals of activist shareholders range from financial (increase of shareholder value through changes in corporate policy, financing structure, cost cutting, etc.) to non-financial (disinvestment from particular countries, adoption of environmentally friendly policies, etc.).

Activist shareholder - Wikipedia

Mercy Investment Services is an asset management program for the collective investment and professional management of the endowment, operating, and other funds of the Sisters of Mercy and the eligible sponsored and co-sponsored ministries that choose to participate, all of which are tax-exempt organizations engaged in religious and charitable activities.
