The -gry puzzle is a popular word puzzle that asks for the third English word that ends with the letters -gry other than angry and hungry. Specific wording varies substantially, but the puzzle has no clear answer, as there are no other common English words that end in -gry. Interpretations of the puzzle suggest it is either an answerless hoax; a trick question; a sincere question asking for an ...

Pop quiz: Is it momentum or inertia that keeps you moving? Here's a hint: In science, inertia is the property of matter that stays at rest or continues moving in a straight line, so long as it's not acted upon by an external force. As a side note, this is also Newton's First Law of Motion (file that away for trivia night).

Dinosaurs are used more than almost anything else to indoctrinate children and adults in the idea of millions of years of earth history. However, the Bible gives us a framework for explaining dinosaurs in terms of thousands of years of history, including the mystery of when they lived and what happened to them. Two key texts are Genesis 1:24-25 and Job 40:15-24.

What Really Happened to the Dinosaurs? | Answers in Genesis
