Berry Gordy is the greatest record man in American music history. From that modest wood-frame house in Detroit he built Motown Records, which in the 1960s and '70s grew to become the most successful independent record label in America, producing some of the greatest, most uplifting and most enduring popular music in history.. In the wood-panelled library in his home, photographs hang on the ...

A reader writes: I work in a customer-facing role, and often I am dealing with customers who are Not Happy. Recently I had an incident in which the customer used all the right key words ("sue," "media," "lawyer," etc.) and hung up on me, so I felt the need to loop my manager in that this could escalate into something larger.
