We owe it to the fields that our houses will not be the inferiors of the virgin land they have replaced. We owe it to the worms and the trees that the building we cover them with will stand as promises of the highest and most intelligent kinds of happiness.

### **TOA Architects**

"Creating architecture means having the privilege to shape spaces that people get to inhabit every day. Shaping these spaces with the requirements of the user in mind should result in places that are comfortable and a pleasure to use and inhabit, while complimenting their physical and social surroundings.

Hindu temple architecture as the main form of Hindu architecture has many varieties of style, though the basic nature of the Hindu temple remains the same, with the essential feature an inner sanctum, the garbha griha or womb-chamber, where the primary Murti or the image of a deity is housed in a simple bare cell. Around this chamber there are often other structures and buildings, in the ...
