To our ancestors, death was no secret. They knew how to sit at a deathbed. They had customs and books to guide them—and plenty of practice. Take, for instance, death's presence in the lives of my great-great-great-grandparents, Philippa Norman, a household servant, and John Butler, a brush- and ...

Attitudes about Aging. An attitude is a feeling, value, or belief about something that determines behavior (Meiner, 2015). For example, if a nurse has the attitude that characterizes older adults as less healthy, less alert, and more dependent, then his or her initial assessment of the patient will reflect this attitude.
