When a character who is depicted as invincible or indestructible turns out to not quite be the case. For this to work, their supposed power and reputation must be demonstrated enough times so that the rest of the cast may start legitimately believing that nothing can stop that character...only for said character to be stopped by something in the end.

I treat my annual best-of reading lists as Old Year's resolutions in reverse — unlike traditional resolutions, which frame aspirational priorities for the new year, they present a record of the reading that merited priority over the year past. In consequence, they are invariably subjective and incomplete — a shelf's worth of books that I, one person, read and enjoyed in the time given ...
