### **Shy John Inman**

Shy falls in the last camp. Shy was my first book from John Inman, and I have to say, I was really impressed. He has a great writing style that grabbed me from the start, and really funny, self-deprecating characters.

The book is titled Ginger Snaps, and will be released in March of 2018. I love that series too, and I think Ginger Snaps is one of ...

### **John Inman (Author of Shy) - Goodreads**

Inman is one of the rare birds, a gay man who writes contemporary gay romance. But he is also a clever, witty writer, with a great sense of place and character. Shy is the story of Tom and Frank (huzzah, normal names!). Frank's a farm boy from Indiana (like the author, BTW); but Tom's a city boy.

Review: Shy by John Inman Standard. Rating 4.25 stars out of 5. When Tom Morgan's ex boyfriend calls up to invite Tom to a party being thrown by the ex and his new lover, the last thing Tom would expect to find at the party would be a new boyfriend and potential love of his life. And that's because Tom's life is already full of obstacles ...

### **Shy by John Inman, Paperback | Barnes & Noble®**

There are many laughs, as usual with a John Inman book. Some tears and very little angst. The narration is awful. The characters aren't given different voices and the funny, sad and sex scenes are read with all the enthusiasm and inflection of a rock. I'm just glad he hasn't narrated any of Mr Inman's other books.
