"John Banville's literary powers are so commanding that it feels almost wilful to withhold full assent from Shroud, a book almost entirely composed of bursts of amazing prose. But there is wilfulness on Banville's part, too, in a couple of passages at the midpoint of the book that take the narrative clean off its hinges.

Good writing overcomes an intermittently stately pace in this increasingly absorbing 13th outing (The Untouchable, 1997, etc.) from the literary editor of the Irish Times. The story serves as a partial prequel to Banville's most recent, Eclipse (2001), whose climactic actions included the suicide of its protagonist's emotionally unstable adult daughter Catherine ("Cass") Cleave.
