Godin is the undisputed guru of marketing. This collection appears "as writ This book, Tales of the Revolution: True Stories of People who are Poking the Box and Making a Difference by Seth Godin, is a collection of submissions about different people.

### **Tales of the Revolution: True Stories of People who are ...**

review 1: I enjoy Seth Godin's book, but this book was simply a collection of people's stories who had one way or another been influenced by some of Seth's concepts. In general that's not a bad thing, but I found many of stories to short and with to little detail to really be helpful. I would recommend reading the book that this book is connected to, "Poke the Box."

A tall tale is a story with unbelievable elements, related as if it were true and factual. Some stories such as these are exaggerations of actual events, for example fish stories ("the fish that got away") such as, "That fish was so big, why I tell ya", it nearly sank the boat when I pulled it in!"

**Tall tale - Wikipedia**

True Stories of the Revolutionary War gives a quick glimpse of well-known battles that shaped our nation. Written and illustrated in an engaging graphic novel style, True Stories of the Revolutionary War also includes a brief summary of the war, a timeline, and a map.
