The Value Structure of Action. The distinctions between means and ends, and between being and doing, result in the following structure of action, from beginning to middle to end, upon which much ethical terminology, and the basic forms of ethical theory (ethics of virtues, action, and consequences), are based.

### Key Distinctions for Value Theories, and the Importance of ...

Writing an academic essay means fashioning a coherent set of ideas into an argument. Because essays are essentially linear—they offer one idea at a time—they must present their ideas in the order that makes most sense to a reader. Successfully structuring an essay means attending to a reader's logic.

### **GRADE 7 SCIENCE FINAL EXAM**

FORCES . A force is any push or pull that causes an object to move, stop, or change speed or direction.; The greater the force, the greater the change in motion will be. The more massive an object, the less effect a given force will have on the object.; Unless acted on by a force, objects in motion tend to stay in motion and objects at rest remain at rest.
