What is the best thing about being a teacher? No, it's not the summer holidays, although those are definitely a good benefit. Light bulb moments, relationships and the ability to learn every day, and more. These are the ten best things about being a teacher. The great things about teaching are not related to money or selfish pursuits.

CS Fundamentals Express combines the best of Courses A-F into a single condensed course (with a simpler option for pre-readers). We recommend Courses A-F for most classrooms, but if your school only offers one computer science course or you want to have your students work through multiple courses in a single year, the Express course is a better choice.
