Marc's Review of 'Sunset' (Pact Arcanum 1) by Arshad Ahsanuddin. There is a religious aspect that is important but never feels preachy or out of place. Beyond the religious implications (existence of a higher power, lower power, angels, etc), the author explores ideas like sacrifice, redemption, morality and free will.

Pact Arcanum Saga and Interscission Project - Arshad ...

Reviews. Sunset by Arshad Ahsanuddin is the first book in the Pact Arcanum series. It is amazing how the author has taken the concept of vampires and turned it into something completely different from the usual vampire books. And when I say "completely different" I mean, not the stereotypical blood-drinking, super-fast, afraid-of-sunlight kind of vampires.
