### **Stay Alexa Reed 1 Hilary**

Stay by Hilary Wynne is a steamy, sexy, can't put it down, modern day fairy tale. The characters are so engaging and relatable that I had to stay up until 1:00 a.m. just to see what happens to Julia and Alexa! The chemistry between the main characters is extremely hot, like the South Miami Beach setting, but at the same time realistic.

This is book one of the Alexa Reed series and as soon as I finished this book I promptly started book two. As I got into book two it was clear that while Book 1 introduced us to Alexa and Julian as a couple this book was really about Alexa and the issues that she was bringing to the table.

### **The Alexa Reed Series - Hilary Wynne**

This is a well-written novel with an easy, comfortable style that keeps the reader engaged. It felt a little slow to begin with and the romance between Alexa and Julian felt like a given, but the tension gradually increased and I was definitely hooked before I got halfway in.

Hold On is Book 2 of the Alexa Reed series and is the follow-up from the hugely popular, Stay. My Thoughts: As I mentioned in the previous post I started reading this book immediately upon

finishing the first Alexa Reed book. In this book we now know more of Alexa Reeds mystery, but not all of it.
