About Stepping Out of Self-Deception. It's just that the self that is reading this sentence is a configuration of elements that at one time did not exist and which at some point in the future will disperse. Even in its present existence, it's more a temporary arrangement of components rather than something solid.

The title of this new book, Stepping Out of Self-Deception, caught my ear thanks to its self-help-sounding title. While the title is suggestive of that genre, the subtitle, The Buddha's Liberating Teaching of No-Self, indicates that this book may actually be the first of a new variety, the "no-self-help" book.
