"There is no better time than the present for an updated edition of Subterranean Fire, as such a fire is clearly burning brighter than it has in decades, and yet so many people do not know how to connect the struggles of today to those of the past. Sharon Smith brings that history to life once again, blasting through the myths of the working class that Trump-era narratives cling to in order to ...

Subterranean Fire - socialistworker.org

The Seattle Underground is a network of underground passageways and basements in downtown Pioneer Square, Seattle, Washington, United States that were at ground level when the city was built in the mid-19th century. After the streets were elevated, these spaces fell into disuse, but have become a tourist attraction in recent decades.

Seattle Underground - Wikipedia

Centralia is a borough and near-ghost town in Columbia County, Pennsylvania, United States. Its population has dwindled from more than 1,000 residents in 1980 to 63 by 1990, to only seven in 2013 —a result of the coal mine fire which has been burning beneath the borough since 1962. Centralia, which is part of the Bloomsburg–Berwick metropolitan area, is the least-populated municipality in ...
