What is student engagement? According to Fred Newmann, author of Student Engagement and Achievement in American Secondary Schools (1992), engaged students make a "psychological investment in learning. They try hard to learn what school offers. They take pride not simply in earning the formal indicators of success (grades), but in understanding the material and incorporating or internalizing ...

Introduction. The United States is facing an unprecedented challenge in serving immigrant youth. Today's immigrants arrive from widely diverse source countries, and are increasingly likely to resettle in nontraditional states and in rural communities, areas that often have the least experience and/or infrastructure to help students learn English and adapt to their new schools and neighborhoods.
