The critical habit of thought, if usual in society, will pervade all its mores, because it is a way of taking up the problems of life. Men educated in it cannot be stampeded by stump orators ... They are slow to believe. They can hold things as possible or probable in all degrees, without certainty and without pain.

Speaking of Mute, if the iPhone is on muted mode, the ringer obviously won't sound... but the phone will vibrate instead. In the cases where mute is actively enabled on the iPhone, hitting one of the volume buttons will cause the vibration to stop, completely silencing the phone as well as hushing the vibration too.
