Corporate Partners provide significant financial and brand building assistance to help further the mission of The First Tee. To learn more about the benefits of becoming an Official Corporate Partner of The First Tee, complete this form to have a representative from the home office contact you about opportunities available.

Benefits of Becoming a Corporate Partner of The First Tee

In fluid dynamics, pipe network analysis is the analysis of the fluid flow through a hydraulics network, containing several or many interconnected branches. The aim is to determine the flow rates and pressure drops in the individual sections of the network. This is a common problem in hydraulic design.
