The trait of extraversion-introversion is a central dimension of human personality theories. The terms introversion and extraversion were popularized by Carl Jung, although both the popular understanding and psychological usage differ from his original intent. Extraversion tends to be manifested in outgoing, talkative, energetic behavior, whereas introversion is manifested in more reserved ...

It's true that traditional English lesson videos that just give you more rules or unnatural dialogues to memorize DON'T help you speak. But have you ever seen English TV shows for native children? Kids watch these shows and start correctly repeating words and phrases because they first understand what they hear. When you understand English without needing translations, you gain the confidence to ...
