Kevin O'Brien is a new author to me; I had never heard of him before I saw this book download at a special price on Amazon. I expected the usual poorly written and unedited quality so common in self-published titles offered free or super-cheap as ebooks. I was pleasantly surprised, to say the least.

Terrified by Kevin O'Brien - Goodreads

I almost regret discovering Kevin O'Brien's books, but not because I don't enjoy them. The first one I read was so good, I immediately bought five more and read them all within a week. Mr. O'Brien creates compelling characters and his ability to develop a good villain is second to none. If you like thrillers, you'll probably love O'Brien.

Over the years, I've pretty much given up reading mysteries but I do think, Mr. O'Brien has changed my mind. Terrified was one GOOD Read.
