"When Earth is affected or overexploited, women and girls are affected first." In poor rural areas, for example, they do much of the work "close to the earth," including farming or fetching water, and know the Earth in a kind of intimate way, said Maryknoll Sr. Marvie Misolas, the representative of the Maryknoll Office for Global Concerns at the U.N.

Women and Earth are 'on receiving end of patriarchy' when ...

Sisters of Earth. 569 likes. Sisters of Earth is an informal network of women who share a deep

concern for the ecological and spiritual crises of our times.

Sisters of Earth - Home | Facebook

Sisters of the Earth is one of the best books I have ever read. It is a collection of stories on woman's relationship to the earth. Each short piece is written by a woman from the United States from any time in our history - about some connection she has with the earth.

Sisters of the Earth: Women's Prose and Poetry About Nature

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
