The word relics comes from the Latin reliquiae (the counterpart of the Greek leipsana) which already before the propagation of Christianity was used in its modern sense, viz., of some object, notably part of the body or clothes, remaining as a memorial of a departed saint. The veneration of relics, in fact, is to some extent a primitive instinct, and it is associated with many other religious ...

Poe's stature as a major figure in world literature is primarily based on his ingenious and profound short stories, poems, and critical theories, which established a highly influential rationale for the short form in both poetry and fiction. Regarded in literary histories and handbooks as the architect of the modern short story, Poe was also the principal forerunner of the "art for art's ...
