Self-realization is an expression used in Western psychology, philosophy, and spirituality; and in Indian religions. In the Western understanding it is the "fulfillment by oneself of the possibilities of one's character or personality." In the Indian understanding, self-realization is liberating knowledge of the true Self, either as the permanent undying Atman, or as the absence (sunyata) of ...

This post covers 25 self-care tips for the body and soul. I first published this post when I was pregnant with my first child. I was having such a hard time with the pregnancy and I needed to be reminded of all the ways I could take better care of myself.. Now, five years later (crazy!), these reminders seem just as important as I find myself constantly chasing two little girls around house ...
