Understand our design principles and patterns before you write a line of code. When you start coding, follow Glass patterns and style, when appropriate, to give users a consistent user experience.

Glass Explorer Edition | Google Developers

A lot of people ask "Who are you and what are you selling?" It started when our dad (we're in high school) bought an EarthBox® planter. We read in the sales materials that the United Nations was using Earthbox® planters to teach people in developing nations an excellent way to grow food. This sounded like a great project, but we thought it could be made even better by using locally sourced ...
