## **The Art Of Procrastination A**

Procrastination. We've all done it and we tell ourselves we'll never do it again. So we come up with an elaborate time management system to get us on track only to find ourselves continuing to put things off.

## **How to Finally Beat Procrastination | The Art of Manliness**

Procrastination is the avoidance of doing a task that needs to be accomplished by a certain deadline. It could be further stated as a habitual or intentional delay of starting or finishing a task despite knowing it might have negative consequences. It is a common human experience involving delay in everyday chores or even putting off salient tasks such as attending an appointment, submitting a ...

A chat with Shamarukh Chowdhury about her research on active procrastination. Together, we clarify the concept of procrastination and do a little "myth busting" around the concept of active procrastination; a concept that we call an oxymoron that may be better understood as two types of delay - it's not "procrastination" at all.
