Art, artists, creativity and deception. Another winner from Nora Roberts. With her usual skill, Nora Roberts has given us a mystery that I didn't solve until she showed us the solution. We have a cast of talented and eccentric artists, a castle without a moat, but with a butler and maid who run the place.

"Details, Kirby." His hand swept them aside. "The world's too full of details, they clutter things up. Remember, art reflects life, and life's an illusion. Come now, I'm tired." He walked to her and held out his hand. "Walk your old papa to bed." Defeated, she accepted his hand and stood. Never, never would she learn.

The Art of Boring a Reader to Death What would have made The Art of Deception better? Characters that are believable. What could Nora Roberts have done to make this a more enjoyable book for you? She could have written about how real people behave. Who would you have cast as narrator instead of Christina Traister? I have no idea.
