Syndrome Thomas Hoover

Thomas Hoover has a doctorate in oceanography and served as senior vice president of an architect-engineering firm in New York, where he has lived for several decades. His vices include being an avid sailor and a recognized collector of the classical music of India.

Syndrome by Thomas Hoover - Goodreads

I enjoy Robin Cook's medical dramas a lot. I really wanted to like Thomas Hoover's Syndrome; but, there is just no comparison. In many cases, the language seems like it was written by somebody who did not have a good command of the English language.

Amazon.com: Syndrome eBook: Thomas Hoover: Kindle Store

Some may complain about the science in the book and they would be right. I will complain about something else: the plot and the writing. Not only is the plot fueled by coincidence in a scale that would make anyone notice (examples? the journalist is the son of the bad guy billionaire *and* the old flame of the architect/experimental subject who is the sister of the bad guys's CFO kind of ...

Syndrome - Thomas Hoover. It was a spacious room, with an executive feeling, and he had an expensive fiat-screen nineteen-inch monitor sitting on the left-hand side of his desk. Next to it was a wooden table and chairs. A pile of NIH forms was there, along with a green raku mug, filled with ballpoint pens.
