Audio performance seemingly aimed at children. What disappointed you about The Midwife's Tale? The audio performance - it didn't seem to be an actor, but a teacher, talking down to children and as for the attempt at male voices... No. Just No. Where was the director? Why didn't somebody guide the poor person into a better performance.

On the basis of that diary, Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait, not only of the industrious and reticent Martha Ballard but of her society. At once lively and impeccably scholarly, A Midwife's Tale is a triumph of history on a human scale.

### **A Midwife's Tale (Audiobook) by Laurel Thatcher Ulrich ...**

A very readable account of work as a midwife in the NHS from 1989 to the present, with lots of little vignettes about the variety of experience faced. Anderson has worked around Britain in a variety of different environments, from inner city North London to Inverness, serving a more rural area as the nearest hospital for much of the Highlands.
