Most of my top-earning videos feature my exploration of abandoned buildings, ghost towns, mills, mines and factories. This genre of video is called “urbex,” short for “urban exploration,” and I had never heard of it until I uploaded that video at the abandoned mineral resort up near Jackpot, NV last July.

A normal trilingual child from a bilingual family, I went into advertising at the ripe old age of 26 and never looked back. Looking back though, I have a record of telling engaging and believable made-up stories (like urging my school buddies to look around the house for that gaming console I claimed to own but allegedly well hidden from me by my parents, concerned with my marks at school).

Having seen many posts about great WonderBat fanfiction, I noticed that one of my favourite authors was missing and decided to make a list of her wonderful series and a handful of one-shots that she's written to celebrate the Bat of Gotham and the Amazonian Goddess. Please note that the stories take place in the animated Justice League universe.
