Spiral Dynamics: Mastering Values, Leadership and Change ...

Spiral Dynamics: Mastering Values, Leadership, and Change by Don Beck & Christopher Cowan, 1996. This is the book that popularized the term, "Spiral Dynamics," and began the interest in applications of Gravesian developmental theory as applied to business, political, and social problems.

Books | Spiral Dynamics®

Cowan co-authored the book Spiral Dynamics: Mastering Values, Leadership and Change in 1996, popularizing the term "Spiral Dynamics" and its practical application of Gravesian theory. So while Spiral Dynamics grew out of scientific theory, NVC Consulting programs are focused on real-world applications. We can help individuals, teams, and organizations analyze and implement solutions to the human hurdles of organizational, leadership and personal development for lasting, bottom line results.
