This is amazing information and I thank you so much for your hard work for everyone here! But for someone like me who's looking for the full moon dates to add to her calendar, and needs to be accurate about the dates (for religious holidays, etc), you're missing a very important piece of information (unless I'm just not seeing it on this page).

Full Moon Calendar - When Is The Next Full Moon?

This has been one of the best seasons to watch as a neutral. Wolves and Watford potentially pushing teams like Everton and West Ham out of the picture, City and Liverpool both having outrageous seasons, Fulham looking like they should be in either Wolves' or Watford's place since they spent so much, but nope, fucking relegated with a handful of games to go.
