That being said, STABLE is an interesting program. I just recertified on it last week. Since we're all supposed to be cross trained to all 3 areas (since I'm very strong in L&D, they said it is OK that I don't do nursery), all the nurses in the department have to pass STABLE. It's not difficult and the program is interesting.

STABLE class may be regional-not usually required on the east coast. The only time I am asked if I have a STABLE certification is when I get called about a west coast assignment. As for NRP maybe you can contact a hospital education dept and ask if you can do the hands on. You will first have to take the written test and thats done online.
