The Max Rebo Band is a fictional alien pop music band in the Star Wars franchise, first appearing in the 1983 film Return of the Jedi as in-house performers for crime lord Jabba the Hutt. The lineup originally seen here consists of the blue-skinned Ortolan keyboardist Max Rebo, a plump Kitonak woodwind player named Droopy McCool, and the spindly-legged Pa'lowick lead singer Sy Snootles, while ...

The opening crawl is the signature device of every numbered film of the Star Wars series, an American epic space opera franchise created by George Lucas. It opens with the static blue text, "A long time ago in a galaxy far, far away....", followed by the Star Wars logo and the crawl text, which describes the backstory and context of the film. The visuals are accompanied by the "Main Title Theme ...

A comic-book adaptation of the trilogy was also produced, with six issues allotted per book. The art for Heir to the Empire is kind of questionable. The art for Dark Force Rising is much prettier, but it has problems of its own. The art for the last book is pretty decent; less realistic, but more expressive. The comics are a very Compressed Adaptation, with some pages having a Wall of Text and ...
