Spider-Man is a fictional superhero created by writer-editor Stan Lee and writer-artist Steve Ditko. He first appeared in the anthology comic book *Amazing Fantasy* #15 (August 1962) in the Silver Age of Comic Books. He appears in American comic books published by Marvel Comics, as well as in a number of movies, television shows, and video game adaptations set in the Marvel Universe.

Spider-Man - Wikipedia

The teleological or physico-theological argument, also known as the argument from design, or intelligent design argument is an argument for the existence of God or, more generally, for an intelligent creator based on perceived evidence of deliberate design in the natural world.. The earliest recorded versions of this argument are associated with Socrates in ancient Greece, although it has been ...

People decide how competent you are in a fraction of a second. They judge your competence based 55% on body language, 38% on presentation, and just 7% on what you say. Stanford Professor Deborah Gruenfeld introduces the body languages of power and influence and shows you how to effectively use them. This is especially important for women, who encounter more gender bias at work.
