### **South Western Individual Income Taxes**

Taxation may involve payments to a minimum of two different levels of government: central government through SARS or to local government. Prior to 2001 the South African tax system was "source-based", wherein income is taxed in the country where it originates. Since January 2001, the tax system was changed to "residence-based" wherein taxpayers residing in South Africa are taxed on their ...

South Africa is one of the most unequal countries in the world. It is often said to be the most unequal, but that is incorrect. A number of countries, for example Namibia and Seychelles, have higher gini coefficients (the measure most often used to measure income distribution) than does South Africa<sup>1</sup>. There are a number of other countries that are clearly very unequal - some major oil ...
