Considered one of the oldest professions, piracy began soon after people first used water to carry trade goods from one place to another. Historians can't pinpoint this to a precise period in time, but the earliest known records appeared in the fourteenth century BCE. This article explores these early pirates in general, then focuses on Ancient Greece and the Roman Empire.

Palestine was destined to be an important centre because of its strategic location for trade by land and sea. It alone connects Asia and Africa by land, and, along with Egypt, it is the only area with ports on the Atlantic-Mediterranean and Red Sea-Indian Ocean waterways. Solomon is said to have fulfilled the commercial destiny of Palestine and brought it to its greatest heights.
