Watch the video to discover how SMART solutions in early education are transforming learning for preschoolers in California's Pomona Unified School District, making it a fun experience.

SMART Education Solutions in Early Education - Transforming early learning

Achievement gaps between disadvantaged and advantaged students in language arts and mathematics can form early, with some children trailing behind in school readiness measures when they enter kindergarten. Despite fiscal constraints, an increase in the funding for effective preschool programs can help to close these gaps and reduce costs later on.
