Now that we're past the 4th of July (the true start of summer here in the Northwest), it's Adirondack season for us. Nothing says summer quite like lounging in an Adirondack chair with a book and a glass of lemonade.. Adirondack chairs are great because they are super comfortable, and the arms can hold plates, glasses, books, chips and dip, and all sorts of things.

My sister asked what my sediments were on Mark's rock video. It was gneiss, but at its core, it is an igneous opportunity for puns. Of quartz I am never one to take such an opportunity for granite. For all my faults, I have quite the apatite for puns, and rock puns are clastic. Some people may not be tuff enough to handle schist puns, but I lava them (plutonic-ally, of course).

David Bowie - 1967 Decca 6 (Mediocre) Best song: Love You Till Tuesday. The first thing that jumps out at me regarding this album is just how hard Bowie is trying to look like contemporary (Between the Buttons-era) Mick Jagger on this album cover. The hair, the sweater, the slight sneer, it's basically dead on. Were they hoping somebody would look at this album cover and think for a second ...

A diacritic – also diacritical mark, diacritical point, diacritical sign, or accent – is a glyph added to a letter, or basic glyph. The term derives from the Ancient Greek διακριτικός (diakritikós, "distinguishing"), from διακρίνω (diakrínō, "to distinguish"). Diacritic is primarily an adjective, though sometimes used as a noun, whereas diacritical is only ever an ...

Rock and roll is a genre of music that emerged as a defined musical style in the American South in the 1950s, and quickly spread to the rest of the country, and the world. It later evolved into the various different sub-genres of what is now called simply "rock". This list is a collection of the top ...

The Yes Album - 1971 Atlantic D (Great / Very Good) Best song: Starship Trooper Peter Banks was a great guitarist, don't get me wrong, but his presence put a cap on Yes' ceiling as a band, and his style of guitar playing, as thick and as satisfying as it was, just wasn't compatible with the direction the band was about to take. So Yes did the smart thing, and brought in one Steve Howe, who ...
