It is estimated that there are around 21,500 gangs in the United States. Evading law enforcement, striking fear into citizens, and participating almost exclusively in criminal activities, eliminating gangs is not a small task. The statistics are chilling; gangs do not appear to be going out of style ...

Top 10 Reasons MS-13 Should Terrify You - Listverse

Haunting is a phenomenon that seems to lay upon a place in layers, like geologic strata, with the most recent and energetic spirits most likely to interact with their environment in a manner that we humans can detect. Of course human ability to sense such things lays upon a sliding scale. Typically ...

Impalement, as a method of execution and torture, is the penetration of a human by an object such as a stake, pole, spear, or hook, often by the complete or partial perforation of the torso. It was particularly used in response to "crimes against the state" and regarded across a number of cultures as a very harsh form of capital punishment and recorded in myth and art.

Hot on the heels of child sex abuse scandals in Rotherham and Rochdale, another, bigger scandal is set to erupt in Birmingham and the West Midlands. Gangs made up of predominantly Pakistani men, using the same modus operandi as the South Yorkshire and Greater Manchester abuse rings, targeted young girls and boys from broken homes who were unfortunate enough to find themselves in the care of ...
