about stripped: Based on the hit Scandinavian format, this outlandish yet emotional social experiment aims to discover how people's lives and values change once everything they own is stripped away.

### **Stripped: What Would You Choose? (Episode 1) | Bravo**

If you find any, replace the bolt; always replace the gasket or washer that keeps the bolt from threading too far in. Next, tighten it by hand as far as you can — this should be most of the way. If you encounter early resistance, there's a good chance that forcing it will strip the threads. Lastly, always torque to spec using the proper tools.

To damage or break the threads of (a screw, for example) or the teeth of (a gear). To draw and discard the first drops of milk from the udder of (a cow or goat, for example) at the start of milking. To draw the last drops of milk from the udder of (a cow or goat, for example) at the end of milking. To extract the milt or roe from (a live fish).

### **Stripped - definition of stripped by The Free Dictionary**

Remove a Screw with a Stripped Head. If you forget the pilot hole or drive a screw too quickly, a power screwdriver can spin its bit fast enough to strip away the cross shape in a Phillips-head screw. Once that's gone, the screw can't be driven deeper or backed out. If the screw head stands above the wood surface,...
