Supercapitalism: The Transformation of Business, Democracy ...

Powerful and thought-provoking, Supercapitalism argues that a clear separation of politics and

capitalism will foster an environment in which both business and government thrive, by putting capitalism in the service of democracy, and not the other way around. TABLE OF CONTENTS

Supercapitalism : the transformation of business ...

'Supercapitalism'. Almost a third of the workforce belonged to a labor union. Economic benefits were also spread across the nation-to farmers, veterans, smaller towns, and small businesses-through regulation (of railroads, telephones, utilities, and energy supplies) and subsidy (price supports, highways, federal loans).

Supercapitalism: The Transformation of... book by Robert B ...

Supercapitalism: The Transformation of Business, Democracy and Everyday Life Power and influence in the United States are concentrated in three major sectors—government, corporations, and Wall St. African-Americans have been successful at using one of them—government—in our struggle for full participation in this society.

Supercapitalism: The Transformation of Business, Democracy ...

Book Review. "Supercapitalism" is a grand debunking of the conventional wisdom in the style of John Kenneth Galbraith. Like Galbraith, Reich will draw fire from economists for some of the details of his argument. I think he misses the mark, for example, in saying that economies of scale are less important than in the 1950s.
