I do enjoy Stuart Woods books, yet Son of Stone didn't do it for me. It revolves around Stone Barrington and his longtime lover's Arrington's son Peter. There is really no mystery in the story, it is the evolving relationship between father and son. Which is good, but is problematic in some ways of how Woods portrays this.

Son of Stone is a soap opera story well below what's expected of Stuart Woods. This volume was made to move the Stone Barrington character onto the next level but this could have been done using Woods' skill as a writer in a much better way perhaps as flashbacks in a more interesting story.

If Son of Stone is an indication of what future Stone Barrington novels will be maybe Mr. Woods should have let Stone get shot instead of the jilted lover and end the series. So far Son of Stone has not received a single 5 star rating and very few 4 stars, This is unusual for Stuart Woods Novel.
