"The Anglo Files" collects and expands on Lyall's dispatches from her adopted home in the decade and a half since then. The result is what she calls a "field guide to the British.". Lyall is a first-rate reporter, and her book has all the hallmarks of her journalism: it is warm, blunt, confessional, companionable.

KIRKUS REVIEW. Observations on English weather, class and accents are nothing new, of course, and Lyall cites numerous writers who have mined the field, including George Orwell, Bill Bryson and Julian Barnes. Her generous take on her adopted compatriots can sit without embarrassment next to their volumes on the shelf.

Having lived in England for over a decade as London correspondent for the New York Times, Sarah Lyall has compiled her spot-on observations about the British into her new book The Anglo Files (Norton, 256 pages). She spoke to TIME from her London office. We can't say she was drinking tea as she spoke to us, but we can't say she wasn't, either.
