Utilitarianism is a family of consequentialist ethical theories that promotes actions that maximize happiness and well-being for the majority of a population. Although different varieties of utilitarianism admit different characterizations, the basic idea behind all of them is to in some sense maximize utility, which is often defined in terms of well-being or related concepts.

A Take Home Message. Gratitude is a human emotion that can be most simply defined as appreciation or acknowledgment of an altruistic act. Historically, philosophers have suggested that gratitude is one of the most important human emotions for the success of the society, and religious and spiritual thinkers have suggested that it is a crucial aspect of religious and spiritual life. Modern ...
