Leadership core values according to Bible teachings. The Bible teaching about Christian leadership core values is pertinent and necessary. Values are deeply held beliefs that help guide Christian leadership in their behavior and decision making.

Leadership core values according to Bible teachings

Social justice is a concept of fair and just relations between the individual and society. This is measured by the explicit and tacit terms for the distribution of wealth, opportunities for personal activity, and social privileges. In Western as well as in older Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal ...

It's not hard to write IO code in pure functional languages. They all provide a simple mechanism for writing IO code that works just like it does in imperative languages. All they do is enforce that you can't call IO code inside other code whose interface is declared as not performing IO. An analogy would be a dynamic language programmer complaining that a statically typed language like Java ...

Why functional languages? - Stack Overflow

US education badly needs effective innovations of scale that can help produce the needed high-quality learning outcomes across the system. The primary focus of educational innovations should be on teaching and learning theory and practice, as well as on the learner, parents, community, society, and its culture.
