25 Math Teacher Interview Questions (+Answers ...

alright, i am an extrordinarily gulible junior. My math teacher sent me on a quest to get him the "board stretcher". I have taken shop and i was quite skeptical but he insisted. It's better than math right? Well i went and asked the man who my teacher claimed had it, he sent me to another teacher. I guess about 14 teachers in the highschool and the middle school were involved in this prank on me.

How to prank my math teacher? | Yahoo Answers

Math 210 Spring 2010 - California State University, Northridge

Best Answer: I graduated last May from a private boys school in Montréal where nearly all the teachers have Ph.D.s, and the rest have master's degrees. As far as I know all of them also had a teacher's credential. I am sure that is an exception, but it shows you the competition you will face for a position in an elite school.

How do you become a private middle/high school math ...

Preparing for an interview is probably the most overlooked phase of securing a new job position. Everyone thinks it is easy until they enter an interview room in front of a panel of educators who are judging every move and every word. Then, reality sinks in! The panel might include the superintendent of the school district, school principals, teachers, and parents, making it critical to ...

The Math 5 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
