The Handmaid's Tale is a very complex novel - not only because of its highly fragmented plot but also because of the high amount of different topics and the vast variety of historical, cultural, religious and literary allusions. In class, the novel can therefore be used not only as an independent text but also as a central work within the discussion of topics that are closely linked to the ...

The Story of the Stone reveals a huge amount about everyday (aristocratic but also commoner) life in Qing China, about food and drink, ceremonies, family structures, the gradations of status, illness and medicine, astrology, religion, the legal system, and so forth. This is incidental to the story — this is not a historical novel where the author might have highlighted this material for its ...
